ALL REFERENCES CONSIDERED EXCEPT WHERE LINED THROUGH. /E.Y./

Pursuant to M.P.E.P. § 609, copies of the listed documents are not enclosed because they either (1) are U.S. patents or (2) were cited in the International Search Report for the application. Applicant has, however, enclosed an English-language abstract of French Patent Document No. 2709144 and understands U.S. Patent No. 6,795,986 corresponds in some manner to ITRM 20030404D. Applicant does not concede that the identified materials, or any of them, constitute prior art within the meaning of the United States patent laws.

Applicant is submitting this paper within three months of the filing of the application and accordingly believes no fee is due. Alternatively, Applicant submits this paper before receipt of an Office Action concerning the merits of the invention claimed in the application and thus, for this reason, believes no fee is due. See 37 C.F.R. § 1.97(b). However, if Applicant's beliefs are mistaken, the Assistant Commissioner is authorized to debit deposit account No. 11-0855 for any such fee presently due.

Respectfully submitted,
